

Swindon Hardship Fund (SHF) - because life doesn't always happen the way you planned.

SHF is a new, local charity set up to respond to the growing needs of people in Swindon to cover gaps not provided for by Food Banks and the State. Essential living costs and household items may become unaffordable through unexpected events. Grants of up to £250, available via local partner organisations, such as Booth House Swindon (Salvation Army) and Goddard Park School, can make all the difference.

This charity is being promoted by the Old Town Partnership of Churches as part of joint outreach activities to the local area and we really need your support.

How you can help

1. Give a regular amount each month - however small. Monthly giving enables the charity to gauge how much money can be given out on a regular basis.
2. Make a one-off payment. Cheques to be made payable to 'Swindon Hardship Fund' and sent to SHF, 22 Savernake Street, SN1 3LZ.
3. Pray for the charity and the people who receive its support.

Further information about SHF and how to give can be found at www.swindonhardshipfund.org.uk or you can telephone 07548 394580

Thank you.
